She is doing good so far. Thank you for asking about her :) sounds good I am looking forward to hearing back. How did the training go? I was so very interested and feel like I missed something really cool.

Hi ma'am...it's your favorite Director ;)

I am really looking for a way to make my person "qualify" for the LCSW position. He is great and we were hoping we could maybe read the grant and find a way for him to be the one we can hire. lol!! A loop hole maybe?

What do you think? Are there specific services this person will provide...LCSW vs. LPC. Is it more for social work type things or counseling students. I am no expert in this area or with the wording of the grant, but wanted to try one more time. Is this grant coming from DOE - Sped. Dept.?

I wanted to know more specifics before I call him back to relay the information.

Thanks!!!
